TREASURE ISLAND

23 July - 17 August | Wycliffe Hall, Oxford

Touring 18 July - 6 August | Oxfordshire and beyond

"Creation Theatre's fabulous production takes Robert Louis Stevenson's swashbuckling tale, lashes it to the mast, peppers it with shot and dashes it on the rocks." Oxford Mail

Robert Louis Stevenson's 1883 classic is brought to life with theatrical magic on the beautiful South Lawn of Wycliffe Hall.

Jim has three visitors and life is never the same again. This journey of discovery and betrayal is re-imagined in an inventive theatrical adaptation by Gari Jones, whose 'Christmas Carol' for Creation delighted audiences last Christmas at the North Wall.

Whilst retaining the narrative of Stevenson's classic, with depth, integrity, a dash of thriller and a large amount of silliness, Gari Jones' adaptation zips along like a wacky race brimming with pirate speak, off-the-wall characters and a whole heap of original sea shanties. *Treasure Island* will be performed on the beautiful lawn in front of Wycliffe Hall, as well as on tour in Oxfordshire and beyond.
